

"Six monthly Environmental Clearance compliance"

Report of stipulated conditions of Environmental Clearance

Apr 2020 to Sept 2020

Project Proponent: Gera Developments Pvt. Ltd.
Project: Imperium Star
Project address: Plot no.43/44, EDC Patto, Panaji, Goa
Consultant engaged: Sadekar Enviro Engineers Pvt. Ltd.

For Submission to,

Ministry of Environmental,
Forest and Climate Change

4th floor, E&F wings, Kendriya Sadan,
17th Main road, 2nd Block, Koramangala,
Bangalore - 560034

Subject: Environmental compliance report for period Apr 2020 to Sept 2020 of our project "Imperium Star" at Plot no. 43/44, EDC Patto, Panaji, Goa.

Ref: EC letter vide No. 3-181-2010/STE-DIR/07 dated 15th April, 2016

Respected Sir,

We have been accorded Prior Environmental Clearance vide No. 3-181-2010/STE-DIR/07 dated 15th April, 2016 for our proposed construction of a 'Building construction project "Imperium Star" (Imperium V) at Plot no. 43/44, EDC Patto, Panaji, Goa.

Please find herewith Environmental Compliance report for period Apr 2020 to Sept 2020 with relevant annexures.

Thanking You,

Yours faithfully,

For Gera Developments Pvt. Ltd.

Authorized Signatory

Copy to: 1. Member Secretary, Goa- SEIAA

2. The Member Secretary, Goa State Pollution Control Board

CHAPTER 1: PROJECT BREIFS

Introduction

Project is a building construction project proposed to be developed on land bearing S.no. 43/44 EDC Patto Plaza, Panaji, Taluka Tiswadi, North Goa, Goa

This project has been granted Environmental Clearance by the Goa-State Environment Impact Assessment Authority (Goa-SEIAA), Panaji, Goa; EC No. 3-181-2010/STE-DIR/07 dated 15th April 2016. **Copy of Environmental clearance attached as Annexure 1.**

Project Description

Name and address of the project authority with phone and fax number	Ms. Reji Menon 200, Boat Club road, Pune, 411001.
Location	Plot No. 43/44, EDC Patto Plaza, Panaji, Tiswadi Taluka, North Goa.
Building Floors	2P + Ground floor + 8 floors, 21 shops, total 325 offices (24 nos. on 1 st floor and 301 nos. on 2 nd floor to 8 th floor) and 18 food stalls.
Total Plot Area	5,213.10 sq. mt.
Total Built up area	28,532.87 sq. mt.
Total water requirement	For construction phase: 30 m ³ /day
Power Demand	For construction phase: 40 KVA (Goa State Electricity Board)

Chapter 2: Compliance of Stipulated conditions of Environmental Clearance

"General Conditions" for Pre-Construction Phase

Clause No.	Conditions	Status of compliance	Compliance
i	Provision may be made for solar water heaters and solar power roof-tops facing towards South as well as south-facing walls to be effectively utilized to optimally harness solar energy. Further, considering the project-specific site, PP may necessarily explore the possibility of energy conservation by hybrid energy sources towards minimizing power requirements through national grid.	Complied	Tapping of solar energy has been done though use of solar lamps for Staircase lighting & Street lighting.
ii	PP shall explain the possibilities to adopt roof-top rainwater harvesting / conservation measures to optimally utilize the water availability by constructing sumps for collection of rainwater.	Complied	Two Tanks for Storage of rainwater approximately 92 KLD capacity are provided. Further stored rainwater will be used for car washing, floor washing, flushing etc.
iii	PP should prioritize the issues related to health and hygiene in complying with the matters related to waste disposal and its treatment / air and water	Complied	Mobile sanitation facility was provided to the construction workers. Solid waste if any is stored in on-site dustbins. The waste was handed over to the CCP collection facility.

	pollution / waste-water management.		Now project is in operation phase
iv	PP should clarify any issue related to public objections, if any, and should not conceal the scientific facts in light of the proposed developmental activity vis-à-vis its site-specific land use categorization / zoning.	Complied	There is no issue related to public objection with respect to project development.
v	PP should submit half-yearly compliance report(s) in hard as well as soft copy format to the Authority for the period up to project completion.	Complied	We are submitting Six monthly compliance reports every six months on regular basis
vi	This environmental clearance is issued subject to restricting of total built up area 28,532.87 sq. m. In case of any increase would require re-appraisal by this Authority.	NA	Noted
vii	This environmental clearance is issued subject to land-use verification. Local authority / planning authority should ensure this with respect to Rules, Regulations, Notifications, Government Resolutions, Circulars, etc. issued, if any Judgements / orders issued by Hon'ble High Court, Hon'ble NGT, Hon'ble Supreme Court regarding DCR	Complied	Project is in finishing stage. All environmental infrastructure is installed. We have received Consent to Operate from Goa State Pollution control Board. Copy of Consent to Operate is enclosed as Annexure 2

	provisions, environmental issues applicable in this matter should be verified. PP should submit exactly the same plans appraised by the Goa-SEAC and Goa-SEIAA. If any discrepancy found in the plans submitted or details provided in the above para may be reported to this Authority. This environmental clearance is issued with respect to the environmental consideration and it does not mean that Goa-SEIAA approved the proposed land.		
viii	PP to ensure no treated water or any waste sewage shall be discharged into any water body.	Complied	We will discharge sewage into sewerage line further connected to common sewage treatment plant of Patto EDC as mentioned in Environment clearance letter. The NOC for connection has been obtained and enclosed as Annexure 3.
ix	E-waste shall be disposed-off through authorized vendor as per E-waste (Management and Handling) Rules, 2011.	Complied	Noted, In case of any generation of E-waste, it will be disposed off through Authorized vendor
x	'Occupation Certificate' shall be issued to the project by Corporation of City of Panaji/NGPDA only after ensuring availability of drinking water and connectivity of the sewer line and / or operationalization of Sewage	--	The project is in construction phase.

	Treatment Plant (STP) of appropriate capacity to the project.		
xi	This environmental clearance is issued subject to obtaining NOC from Forestry & Wildlife division including clearance from the standing committee of National Board for Wildlife, if applicable & this environmental clearance does not necessarily imply that Forestry & Wildlife clearance has been granted to the project and may be considered separately on merit.	NA	The land is zoned as Commercial-C1. Hence this condition is not applicable
xii	The height, construction of built-up area of proposed development shall be in accordance with the existing FSI / FAR norms of the urban local body (i.e., NGPDA) and it should ensure the same along with survey number before approving layout plan and before according commencement certificate to proposed work. Further, Plan approving authority should also ensure the zoning permissibility for the proposed project as per the approved development plan of the area.	Complied	Noted, construction is according to local prevailing norms and approved layout plan and all necessary approvals.

xiii	All required sanitary and hygienic measures should be in place on-site before starting construction activities and to be maintained throughout the construction phase.	Complied	Mobile sanitation facility was provided for construction workers and there was no housing of Labour at site. Now project is in Operation phase.
------	--	----------	--

Compliance of Stipulated conditions of Environmental Clearance

"General Conditions" during Construction Phase

Clause No.	Conditions	Status of compliance	Compliance
a	'Consent to Establish' shall be obtained from the Goa State Pollution Control Board (GSPCB) under Air Act and Water Act, as applicable and a copy shall be submitted to the Authority before start of any construction work at the site.	Complied	Consent to Establish obtained from GSPCB & submitted with our first compliance
b	The Project Proponent (PP) may use Ready-Mixed Concrete (RMC) to minimize air / water / land pollution and water usage during the construction phase.	Complied	We have used RMC for construction. Now project is in Operation phase.
c	Permission to draw groundwater, if feasible, shall be obtained from Groundwater Cell of the Water Resources Department (WRD) prior to	NA	The source of water during construction phase was through water tankers.

	construction / operation of the project.		
d	PP shall not make any change in the Surface Layout Plan/Civil Plan submitted to the Authority without its prior permission. In case of any change(s) in the scope of the project and / or otherwise, the project would require a fresh appraisal by the Authority.	Complied	Noted
e	Project Proponent shall make suitable provisions for sewage / wastewater disposal and storm water release independently.	Complied	Mobile sanitation facility was provided to the construction workers wastewater will be disposed off through authorized vendor. Project is in Operation phase now
f	The Diesel-Generator sets (D.G. set) to be used during construction / after commissioning should use low-sulphur diesel and conform to Environment (<i>Protection</i>) Rules prescribed for air and noise emission standards as laid down by the GSPCB.	Complied	DG Set is installed for operation phase as per CPCB/ GSPCB guideline prescribed for noise and air emission.
g	The installation of the Sewage Treatment Plant (STP) if any should be certified by the GSPCB and a report in this regard should be submitted to the Authority before the STP is commissioned. Treated effluent discharged from STP	NA	No STP in the project as the Sewage will be disposed through common Sewage Treatment Plant of EDC Patto

	shall be recycled / reused to the maximum extent possible. Discharge of this unused treated effluent, if any should be discharged in the common sewer line. Treatment of 100% grey-water by de-centralized treatment be prioritized. Separation of grey and black water should be done by the use of dual plumbing line for separation of grey and black water. The possibility of using STP treated water to be used for grey and black water. The possibility of using STP treated water to be used for flushing needs to be explored.		
h	Appropriate remedial measures need to be adopted to mitigate the foul odour emanating (<i>due to its malfunctioning / non-operationalization or otherwise</i>) from the STP, if any.	NA	--
i	Provision shall be made for the housing of construction labour within the site with all necessary infrastructure and facilities such as fuel for cooking, mobile toilets, mobile STP, safe drinking water, medical health care, crèche	Complied	There was housing of construction labors on site. However, first aid facility, safe drinking water and mobile sanitation facility was provided on site through out construction phase.

	and first aid room, etc.		
j	Adequate drinking water and sanitary facilities should be provided for construction workers at the site. Provision should be made for mobile toilets. The safe disposal of waste water and solid waste generated during the construction phase should be ensured.	Complied	Complied during construction phase. Project is in operation phase now.
k	The solid waste generated should be properly connected and segregated. Dry / inert solid waste should be disposed – off to the approved sites for land filling after recovering recyclable material.	Complied	The solid waste generated if any is segregated and stored in separate bins and disposed off through CCP, Panaji collection facility.
l	Disposal of muck during construction phase should not create any adverse effect on the neighboring entities / communities and be disposed taking the necessary precautions for general safety and health aspects of people, only in approved site with the approval of the CCP.	Complied	There are no adverse effects from excavation of muck on neighboring communities. Utmost precautions are taken for safety and health aspects.
m	To the extent required all the topsoil excavated during construction activities, if any, should be stored separately and to be used in horticulture /	Complied	Usable topsoil from the plot is stored separately for landscaping.

	landscape development within the project site subsequently.		
n	Additional soil for leveling of the proposed site shall be generated within the sites (to the extent possible) so that natural drainage system of the area is protected and improved.	--	Noted.
o	Green Belt Development shall be carried out considering CPCB guidelines including selection of local plant species and in consultation with the State Forest / Agriculture Department.	--	Noted, landscape will be developed using local plant species. The project is still in construction phase.
p	Soil and ground water samples will be tested to ascertain that there is no threat to ground water quality by leaching of heavy metals and other toxic contaminants due to proposed developmental activity. It is advisable that ground water level and its quality should be monitored (<i>at least seasonally – pre monsoon / monsoon / post monsoon</i>) in consultation with the WRD.	Complied	We are carrying out soil and ground water monitoring on regular basis.
q	Construction spoils, including bituminous material and other hazardous materials must not be allowed to contaminate	Being Complied	No bituminous material or hazardous materials on site.

	nearby water courses / mangrove zone in the vicinity, if any and the dump sites for such materials must be secured so that they should not leach into ground water.		
r	Any hazardous waste generated during construction phase should be disposed off as per applicable rules with necessary approval / Authorization from the GSPCB.	Being Complied	Used oil from DG set shall be sent to approve recycler for disposal.
s	The diesel required for operating DG sets shall be stored in underground tanks and if required, NOC from concerned authority shall be taken, as applicable.	--	Noted
t	Vehicles hired for bringing construction material on the site during non-peak hours should be in good condition and should have Pollution Under Control (PUC) certificate and should conform to applicable air and noise emission standards.	Complied	Only the vehicles with PUC certificate were hired for construction phase.
u	Ambient noise levels should conform to residential standards both during day and night. Incremental pollution load on the ambient air and noise quality should be closely	Complied	We are carrying out noise monitoring on regular basis

	monitored during construction phase. Adequate measures should be made to reduce ambient air and noise level construction phase, so as to conform to the stipulate standard prescribed by the CPCB/GSPCB.		
v	The approval of competent authority shall be obtained for structural safety of the buildings due to unlikely occurrence of earthquakes, adequacy of fire-fighting equipments etc. as per National Building Code (NBC) including measures from thunder / lightening.	Complied	The structural liability certificate has been submitted through our first compliance. The project has also been granted NOC from Directorate of Fire and Emergency Services, Govt. of Goa. The copies of same have been submitted through our first compliance report.
w	Fixtures for showers, toilet flushing and drinking should be preferably of low flow either by use of aerators or pressure reducing devices or sensor based control.	Complied	We have installed low flow fixtures with aerators
x	Use of glass may be reduced up to 40% so as to reduce electricity consumption and load on air conditioning. If necessary use of high-quality double glass with special reflective coating in windows may be preferred.	Complied	Use of glass reduced up to 40% so as to reduce electricity consumption

y	Roof may meet prescriptive requirement as per energy conservation building code by using appropriate thermal insulation material to fulfill requirement.	--	Noted we will comply with the same
z	Energy conservation measures like installation of LEDs lights and tubes for the lighting the areas outside the building should be integral part of the project design and should be in place before project commissioning. Use of CFLs and TFLs should be properly installed and disposed-off as per the prevailing guidelines/rules of the regulatory authority to avoid mercury contamination.	--	We have installed all energy saving fittings
aa.	D.G. sets proposed as source of backup power for elevators, common area illumination during operation phase should be with acoustic enclosure and with appropriate stack-height conforming to noise standards respectively as prescribed in Environment (<i>Protection</i>) Act, 1986.	--	Yes DG set proposed as back up source only. We have provided acoustic enclosure and with appropriate stack-height conforming to noise standards respectively as prescribed in Environment (<i>Protection</i>) Act, 1986.
bb.	Noise should be controlled to ensure that it does not exceed the prescribed standards.	Complied	Yes, we are carrying out noise monitoring on regular basis

	During night time the noise levels measured at the boundary of the building shall be restricted to the permissible levels to comply with the prevalent regulations.		
cc.	Traffic congestion near entry and exit points from the roads adjoining the proposed project site must be avoided. Parking should be fully internalized, and no public road / place be utilized for parking.	Complied	During construction phase most of the traffic was due to movement of construction vehicles. Parking is internalized for operation phase as per approved plan.
dd.	Opaque wall should meet prescriptive requirement as per energy conservation board which is proposed to mandatory for all air conditioned spaces while it is aspiration for non-air conditioned spaces by use of appropriate thermal insulation material to fulfill requirement.	Complied	Noted and complied
ee.	The building should have adequate buffer distance between two separate plots to allow movement of fresh air and passage of natural light, air and ventilation. Regular supervision and other measures for monitoring the same should be in place during the construction phase, so as	Complied	Noted, distance is maintained according to municipal norms

	to avoid disturbance to the surroundings structures. If any.		
ff.	Under the provisions of Environment (<i>Protection</i>) Act 1986, legal action shall be initiated against the PP if it was found that construction of the project has been started without obtaining the EC.	Complied	We have started construction of project after getting environmental clearance
gg.	Six monthly compliance reports should be submitted to the MOEF & CC, Government of India with copy to the Goa-SEIAA and GSPCB.	Complied	Noted. We are submitting the same on regular basis & assure, in future, to submit six monthly compliance reports to the MOEF & CC, Government of India with copy to the Goa-SEIAA and GSPCB

Compliance of Stipulated conditions of Environmental Clearance

"General Conditions" during Post-Construction Phase

Clause No.	Conditions	Status of compliance	Compliance
1.	PP shall ensure completion of MSW disposal facility, green belt development prior to occupation of the buildings. The PP to explore possibility of utilizing excess treated water in the adjacent area for gardening before discharging into sewer line. No physical occupation of allotment will be given unless all above said environmental	Complied	We have installed and commissioned organic waste converter before giving occupancy

	infra structure is installed and made functional including water requirement prior certification from appropriate authority shall be obtained.		
2.	Wet garbage should be treated by organic waste convertor and treated waste (manure) should be utilize in the existing premises for gardening. In any case, no wet garbage will be disposed outside the premises. CCP/Local authorities should ensure this compliance strictly	Complied	Organic waste converter is installed for treatment of biodegradable waste.
3.	CCP/local authorities should ensure that no occupation certificate is issued prior to operation of STP/MSW disposal etc. with due consent/authorization from the GSPCB	Complied	We have obtained Occupancy certificate and consent to Operate from goa pollution control board
4.	A complete set of all the documents submitted to Goa-SEIAA should be forwarded local authority, GSPCB and planning authority.	NA	No documents have been submitted from proponent to SEIAA directly.
5.	In the case of any change(s) in the scope of the project, the project would comply a fresh appraisal by the Goa-SEIAA.	---	Noted.
6.	Separate funds shall be allocated for implementation of environmental protection	---	Noted and complied, Common area maintenance team is looking after all environmental infrastructure

	measures/EMP along with item wise break-ups. The funds earmarked for the environment protection measures shall not be diverted for other purpose.		
7.	A copy of the clearance letter shall be sent to the CCP/concerned local body, by the PP if any, from whom suggestions/representation, if any, were received while processing the proposal. The PP shall also ensure that EC letter shall also be put on the company's website	Complied	The copy of the EC letter has been shared with Corporation of City of Panaji (CCP) and submitted with earlier compliance
8.	The PP shall upload the status of the compliance of the stipulated EC conditions, including results of monitoring data on their website and shall update the same periodically. It shall simultaneously be sent to the regional office of MoEF&CC, the respective Zonal office, CPCB and GSPCB. The criteria pollutant levels namely PM10/PM2.5m, SO ₂ and NO _x (ambient levels as well as stack emissions) or critical sector parameters, indicated for the project shall be monitored and displayed at a convenient	--	Noted. We are carrying out monitoring reports on regular basis.

	location near the main gate of the company in the public domain.		
9.	The environmental statement for each financial year ending 31 st March in Form V is mandated to be submitted by PP to the GSPCB as prescribed under the Environment (Protection) Rules, 1986 (as amended). Subsequently, it shall also be put on company's website along with the status of the compliance of the EC conditions and shall also be sent to the respective regional office of the MoEF.	---	Noted. We will submit form V for during operation phase.
10.	This EC is issued without prejudice to the action initiated in the Environment (Protection) act or any court case pending in the court of law. Such as , it does not mean that PP has not violated any environment laws in the past and whatever decision under said Act by Hon'ble Court will be binding on the PP . Hence this Environmental clearance does not give immunity to the PP in the case complaints is filed against ,if any or action initiated under the said Act.	---	Noted

11.	In case of submission of false document and non compliances to any of the stipulated conditions , this authority will revoke or suspend the EC without any intimation and initiate appropriate legal action under the environment (Protection)act ,1986 (as amended till the date)	---	Noted
12.	The Goa-SEIAA reserves their right to add any stringent condition or to revoke the environmental clearance, if conditions stipulated above are not implemented to the satisfaction of the authority or for that matter, for any other administrative reason.	---	Noted
13.	Project proponent shall advertise at least in two local newspapers widely circulated in the region around the project, one of which shall be in Konkani or Marathi language within Seven Days of receipt of this communication, informing that the proposed project has been accorded prior Environmental clearance (EC) and the copies of the clearance letter will be available on the	Complied	The copy of advertisement Submitted with earlier compliance reports

	PP website.		
14.	Any appeal against this prior Environmental Clearance shall lie with National Green Tribunal (NGT), if preferred, within 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010 (Central Act 19 of 2010)	---	Noted

Sub.: Change in name of project proponent and project name.

Sir,

With reference to your letter dated 03/06/2016 on the above-referred subject matter, this is to inform you that the matter has been discussed by Authority during its 33rd meeting held on 2nd August 2016. Accordingly, and on perusal of relevant documents (*i.e. ownership document – Deed of Transfer*) submitted by the project proponent (PP), it has been decided to accept the request w.r.t. change in name of project proponent from M/s Parsavnath Developers to “M/s Gera Developments Pvt. Ltd” and the Project name from Imperium –V to “Imperium Star”.

Further, it is informed that other content / conditions referred in the EC letter remain unchanged as communicated earlier vide letter no. 3-181-2010/STE-DIR/07 dated 15th April 2016.

Yours faithfully,

(Srinet N. Kothwale)

Sub: - Environmental Clearance (EC) for proposed construction project of commercial building - 'Imperium V' in the property bearing plot no. 43/ 44 at EDC Patto Plaza Panaji, Tiswadi Taluka, North Goa.

Sir,

This has reference to your application dated 26th May 2015 and subsequent re-submission dated 25th June 2015 seeking prior environmental clearance (EC) for the proposed project of commercial building - 'Imperium V' in the property bearing plot no. 43/ 44 at EDC Patto Plaza, Panaji, Tiswadi Taluka, North Goa as mandated under the provisions of the Environment Impact Assessment (EIA) Notification, 2006 (*as amended till date*). Accordingly, the above proposal has been screened and appraised under Category 8 (a) - Building and construction projects (*as per the Schedule annexed to the said notification*) and as category 'B2' project on the basis of the documents enclosed with application. viz. Form-1 and Form-1A. Subsequently, Goa State Expert Appraisal Committee (Goa-SEAC - *hereinafter referred as 'Committee'*) conducted the site-inspection on 14th July 2015 and was followed by project-specific presentation by the NABET/QCI-accredited environmental consultant (M/s Sadekar Enviro Engineers Pvt. Ltd, Panaji, Goa) on behalf of the Project Proponent (PP) during its 49th meeting held on 15th September 2015. However, based on the project specific presentation, the Committee opined that technical matters w.r.t. (a) odour-control measures, (b) energy conservation calculations, (c) water balance and effective provision for rainwater harvesting initiatives, (d) site-specific soil characteristics and hydro-geological status, (e) disaster mitigation measures vis-à-vis fire-fighting provisions, (f) landscape management and (g) availability of time-

series data pertaining to land use / land cover and CRZ applicability, etc., were not made clear to enable environmental appraisal of the project. As such, the Goa-SEAC sought additional compliance and directed the Project Proponent (PP) to make the observation-specific presentation again. Accordingly, the Goa-SEAC ascertained / verified the compliance during its 51st Goa-SEAC meeting held on 15th October 2015. Subsequently, based on post-presentation discussions and verification of documents submitted by PP during 53rd Goa-SEAC meeting held on 5th November 2015, the aforementioned proposal was recommended to Goa State Environment Impact Assessment Authority (Goa-SEIAA – hereinafter referred as "Authority") for grant of environmental clearance (EC) under the EIA Notification 2006 as amended.

Further, the Committee's recommendations vis-à-vis submission of 'Ecology and Biodiversity report' were deliberated and verified during 28th Authority meeting held on 2nd February 2016 respectively and it was decided to accord prior environmental clearance (EC) as mandated in the EIA Notification, 2006, (as amended).

Accordingly, it has been noted that the aforementioned proposal is seeking prior environmental clearance (EC) as per the provisions of the EIA Notification, 2006; for proposed commercial building - **Imperium V** in plot no. 43/ 44 at EDC Patto Plaza, Panaji comprising of 2P + Ground floor + 8 floors, 21 shops, total 325 offices (24 nos. on 1st floor and 301 nos. on 2nd floor to 8th floor) and with 18 food stalls.

Project details and salient features of the proposed developmental activity, as submitted by the PP, is as under -

- | | | |
|---------------------------------------|---|--|
| 1. Total Plot Area | - | 5,213.10 sq.mts. |
| 2. Total Built-up area (BUA) proposed | - | 28,532.87 sq.mts. |
| 3. Green belt | - | 230 sq.mts. |
| 4. Number of floors | - | 2P+ Ground floor+8 floors |
| 5. Height of building | - | 27.68 mts. |
| 6. Parking required | - | 260 nos. |
| 7. Parking proposed | - | -324 nos for 4 wheeler & 215 m ² for 2 wheeler. |

8. **Water Requirement -**

- a) *During Construction phase:* - 30 m³ / day (will depend on the number of people working and water required for construction activities).
- b) *During Operation phase:* 75 m³/day
- c) *Fire fighting:* 120 m³

9. **Power Requirements - Source :** Goa State Electricity Board

- (a) *Construction Phase:* 40KVA, Back-up provisions - D.G. set (40 KVA X - 1 no.)
- (b) *Operation Phase:* 1840KVA, Back-up provisions - D.G. set (750 KVA X - 1 no.)

10. **Waste Management:** Solid waste is proposed to be segregated as bio-degradable and non-biodegradable waste. Non-biodegradable waste will be disposed-off through collection facility of the Corporation of City of Panaji (CCP) and Bio-degradable waste is proposed to be treated at in-house organic waste convertor. While, liquid effluent (*i.e. Sewage*) is proposed to be connected to existing sewage drains for treatment at common sewage treatment plant at EDC, Patto, Panaji.

In view of the above, the State EIA Authority has decided to accord environmental clearance (EC) to the said project under the provision of EIA Notification, 2006; (as amended) subject to compliance to the following "**General Conditions**" for pre-construction phase:-

- i. Provision may be made for solar water heaters and solar power roof-tops facing towards South as well as south-facing walls to be effectively utilized to optimally harness solar energy. Further, considering the project-specific site, PP may necessarily explore the possibility of energy conservation by hybrid energy sources towards minimizing power requirements through national grid.
- ii. PP shall explain the possibilities to adopt roof-top rainwater harvesting / conservation measures to optimally utilize the water availability by constructing sumps for collection of rainwater.
- iii. PP should prioritize the issues related to health and hygiene in complying with the matters related to waste disposal and its treatment / air and water pollution / waste-water management.

- iv. PP should clarify any issue related to public objections, if any, and should not conceal the scientific facts in light of the proposed developmental activity vis-à-vis its site-specific landuse categorization / zoning.
- v. PP should submit half-yearly compliance report(s) in hard as well as soft copy format to the Authority for the period upto project completion.
- vi. This environmental clearance is issued subject to restricting of total built up area 28,532.87 sq.mt. In case of any increase would require re-appraisal by this Authority.
- vii. This environmental clearance is issued subject to land-use verification. Local authority / planning authority should ensure this with respect to Rules, Regulations, Notifications, Government Resolutions, Circulars, etc. issued, if any. Judgements / orders issued by Hon'ble High Court, Hon'ble NGT, Hon'ble Supreme Court regarding DCR provisions, environmental issues applicable in this matter should be verified. PP should submit exactly the same plans appraised by the Goa-SEAC and Goa-SEIAA. If any discrepancy found in the plans submitted or details provided in the above para may be reported to this Authority. This environmental clearance is issued with respect to the environmental consideration and it does not mean that Goa-SEIAA approved the proposed land.
- viii. PP to ensure no treated water or any waste sewage shall be discharged into any water body.
- ix. E-waste shall be disposed-off through authorised vendor as per E-waste (*Management and Handling*) Rules, 2011.
- x. 'Occupation Certificate' shall be issued to the project by the Corporation of city of Panaji/ NGPDA only after ensuring availability of drinking water and connectivity of the sewer line and/ or operationalization of Sewage Treatment Plant (STP) of appropriate capacity to the project.
- xi. This environmental clearance is issued subject to obtaining NOC from Forestry & Wildlife division including clearance from the standing committee of the National Board for Wildlife, if applicable & this environmental clearance does not necessarily imply that Forestry & Wildlife clearance has been granted to the project and may be considered separately on merit.

- xii. The height, construction of built-up area of proposed development shall be in accordance with the existing FSI / FAR norms of the urban local body (i.e. NGPDA) and it should ensure the same along with survey number before approving layout plan and before according commencement certificate to proposed work. Further, Plan approving authority should also ensure the zoning permissibility for the proposed project as per the approved development plan of the area.
- xiii. All required sanitary and hygienic measures should be in place on-site before starting construction activities and to be maintained throughout the construction phase.

Further, the project proponent is directed to comply with the following "General Conditions" during construction phase:-

- a. 'Consent to Establish' shall be obtained from the Goa State Pollution Control Board (GSPCB) under Air Act and Water Act, as applicable and a copy shall be submitted to the Authority before start of any construction work at the site.
- b. The Project Proponent (PP) may use Ready-Mixed Concrete (RMC) to minimize air / water / land pollution and water usage during the construction phase.
- c. Permission to draw groundwater, if feasible, shall be obtained from the Groundwater Cell of the Water Resources Department (WRD) prior to construction / operation of the project.
- d. PP shall not make any change in the Surface Layout Plan / Civil Plan submitted to the Authority without its prior permission. In case of any change(s) in the scope of the project and / or otherwise, the project would require a fresh appraisal by the Authority.
- e. Project proponent shall make suitable provisions for sewage / wastewater disposal and storm water release independently.
- f. The diesel-generator sets (D.G. set) to be used during construction / after commissioning should use low-sulphur diesel and conform to Environment (Protection) Rules prescribed for air and noise emission standards as laid down by the GSPCB.
- g. The installation of the Sewage Treatment Plant (STP) if any should be certified by the GSPCB and a report in this regard should be submitted to the Authority before the STP is commissioned. Treated effluent discharged from STP shall be recycled / reused to the maximum extent possible. Discharge of this unused treated effluent, if any should be discharged in the common sewer line. Treatment

of 100% grey-water by de-centralised treatment be prioritized. Separation of grey and black water should be done by the use of dual plumbing line for separation of grey and black water. The possibility of using STP treated water to be used for flushing needs to be explored.

- h. Appropriate remedial measures need to be adopted to mitigate the foul odour emanating (*due to its malfunctioning / non-operationalization or otherwise*) from the STP, if any.
- i. Provision shall be made for the housing of construction labour within the site with all necessary infrastructure and facilities such as fuel for cooking, mobile toilets, mobile STP, safe drinking water, medical health care, crèche and first aid room, etc.
- j. Adequate drinking water and sanitary facilities should be provided for construction workers at the site. Provision should be made for mobile toilets. the safe disposal of waste water and solid waste generated during the construction phase should be ensured.
- k. The solid waste generated should be properly connected and segregated. Dry / inert solid waste should be disposed-off to the approved sites for land filling after recovering recyclable material.
- l. Disposal of muck during construction phase should not create any adverse effect on the neighbouring entities / communities and be disposed taking the necessary precautions for general safety and health aspects of people, only in approved site with the approval of the CCP.
- m. To the extent required all the top-soil excavated during construction activities, if any, should be stored separately and to be used in horticulture / landscape development within the project site subsequently.
- n. Additional soil for levelling of the proposed site shall be generated within the sites (to the extent possible) so that natural drainage system of the area is protected and improved.
- o. Green belt development shall be carried out considering CPCB guidelines including selection of local plant species and in consultation with the State Forest / Agriculture Department.
- p. Soil and ground water samples will be tested to ascertain that there is no threat to ground water quality by leaching of heavy metals and other toxic contaminants due to proposed developmental activity. It is advisable that ground water level and its quality should be monitored (*at least seasonally - pre-monsoon / monsoon / post-monsoon*) in consultation with the WRD.

- q. Construction spoils, including bituminous material and other hazardous materials must not be allowed to contaminate nearby water courses / mangrove zone in the vicinity, if any and the dump sites for such materials must be secured so that they should not leach into ground water.
- r. Any hazardous waste generated during construction phase should be disposed off as per applicable rules with necessary approval / Authorization from the GSPCB.
- s. The diesel required for operating DG sets shall be stored in underground tanks and if required, NOC from concerned authority shall be taken, as applicable.
- t. Vehicles hired for bringing construction material on the site during non-peak hours should be in good condition and should have pollution under control (PUC) certificate and should conform to applicable air and noise emission standards.
- u. Ambient noise levels should conform to residential standards both during day and night. Incremental pollution load on the ambient air and noise quality should be closely monitored during construction phase. Adequate measures should be made to reduce ambient air and noise level construction phase, so as to conform to the stipulated standard prescribed by the CPCB/ GSPCB.
- v. The approval of competent authority shall be obtained for structural safety of the buildings due to unlikely occurrence of earthquakes, adequacy of fire-fighting equipments, etc. as per National Building Code (NBC) including measures from thunder / lightning.
- w. Fixtures for showers, toilet flushing and drinking should be preferably of low flow either by use of aerators or pressure reducing devices or sensor based control.
- x. Use of glass may be reduced upto 40% so as to reduce electricity consumption and load on air conditioning. If necessary use of high-quality double glass with special reflective coating in windows may be preferred.
- y. Roof may meet prescriptive requirement as per energy conservation building code by using appropriate thermal insulation material to fulfil requirement.
- z. Energy conservation measures like installation of LEDs lights and tubes for the lighting the areas outside the building should be integral part of the project design and should be in place before project commissioning. Use of CFLs and TFLs should be properly installed and disposed-off as per the prevailing guidelines / rules of the regulatory authority to avoid mercury contamination.
- aa. D.G. sets proposed as source of backup power for elevators, common area illumination during operation phase should be with acoustic enclosure and with

appropriate stack-height conforming to noise standards respectively as prescribed in Environment (*Protection*) Act, 1986.

- bb. Noise should be controlled to ensure that it does not exceed the prescribed standards. During night time the noise levels measured at the boundary of the building shall be restricted to the permissible levels to comply with the prevalent regulations.
- cc. Traffic congestions near entry and exit points from the roads adjoining the proposed project site must be avoided. Parking should be fully internalised and no public road / place be utilised for parking.
- dd. opaque wall should meet prescriptive requirement as per energy conservation board which is proposed to mandatory for all air conditioned spaces while it is aspiration for non- air conditioned spaces by use of appropriate thermal insulation material to fulfil requirement.
- ee. The building should have adequate buffer distance between the two separate plots to allow movement of fresh air and passage of natural light, air and ventilation. Regular supervision and other measures for monitoring the same should be in place during the construction phase, so as to avoid disturbance to the surroundings structures. If any.
- ff. Under the provisions of Environment (*Protection*) Act 1986, legal action shall be initiated against the PP if it was found that construction of the project has been started without obtaining the EC.
- gg. Six monthly compliance reports should be submitted to the MOEF & CC, Government of India with copy to the Goa-SEIAA and GSPCB.

Further, the project proponent is advised to comply with the following "General Conditions" during post-construction phase:-

1. PP shall ensure completion of MSW disposal facility, green belt development prior to occupation of the buildings. The PP shall explore possibility of utilising excess treated water in the adjacent area for gardening before discharging into sewer line / safe disposal. No physical occupation of allotment will be given unless all above said environmental infrastructure is installed and made functional including water requirement. Accordingly, prior certification from appropriate authority shall be obtained.
2. Wet garbage should be treated by organic waste convertor and the product-output (i.e. manure) should be utilised in the existing premises for gardening. In any case, no wet garbage shall be disposed outside the premises. CCP / local authorities should ensure this compliance strictly.

3. CCP / local authorities should ensure that no occupation certification is issued prior to operation of STP/MSW disposal etc. with due consent / authorization from the GSPCB.
4. A complete set of all the documents (*i.e. proposal along with relevant enclosures - plans / maps, etc.,*) submitted to Goa-SEIAA should be forwarded to the CCP / local authority and GSPCB.
5. In the case of any change(s) in the scope of the project, the project would require a fresh appraisal by the Goa-SEIAA.
6. Separate funds shall be allocated for implementation of environmental protection measures / EMP along with item wise breaks-up. These costs shall be included as part of the project cost. The funds earmarked for the environment protection measures shall not be diverted for other purposes and year wise expenditure should reported to the GSPCB and this Authority.
7. A copy of the clearance letter shall be sent to the CCP / concerned local body ,by the PP if any, from whom suggestions /representation, if any, were received while processing the proposal. The PP shall also ensure that the EC letter shall also be put on the company's website.
8. The PP shall upload the status of the compliance of the stipulated EC conditions, including results of monitoring data on their website and shall update the same periodically. It shall simultaneously be sent to the regional office of MoEF, the respective Zonal office of the CPCB and the GSPCB. The criteria pollutant levels namely PM₁₀ / PM_{2.5}, SO₂ and NO_x (*ambient levels as well as stack emissions*) or critical sector parameters, indicated for the project shall be monitored and displayed at a convenient location near the main gate of the company in the public domain.
9. The environmental statement for each financial year ending 31st March in Form-V is mandated to be submitted by the PP to the GSPCB as prescribed under the Environment (*Protection*) Rules 1986 (as amended). Subsequently, it shall also be put on company's website along with the status of the compliance of the EC conditions and shall also be sent to the respective regional office of the MoEF.
10. The EC is being issued without prejudice to the action initiated in the Environment (*Protection*) Act or any court case pending in the court of law and it does not mean that PP has not violated any environmental laws in the past and whatever decision under said Act or of the Hon'ble Court will be binding on the PP. Hence, this environmental clearance does not give immunity to the PP in the case filed against him, if any or action initiated under the said Act.

11. In case of submission of false document and non-compliance of stipulated conditions, this Authority will revoke or suspend the EC without any intimation and initiate appropriate legal action under Environment (Protection) Act, 1986.
12. The Goa-SEIAA and Goa-SEAC reserves their right to add any other stringent condition or to revoke the environmental clearance, if conditions stipulated are not implemented to the satisfaction of the Authority or for that matter, for any other administrative reason.
13. PP shall advertise at least in two local newspapers widely circulated in the region around the project, one of which shall be in the Konkani or Marathi language within seven days of receipt of this communication, informing that the proposed project has been accorded prior Environmental Clearance (EC) and the copies of the clearance letter will be uploaded on the PP's website.
14. **Validity of the Environmental Clearance (EC)** accorded shall be for a period of 07 (seven) years from the date of its issue.
15. Any appeal against this prior environmental clearance shall lie with the National Green Tribunal (NGT), if preferred, within 30 days as prescribed under Section 16 of the National Green Tribunal Act, 2010 (*Central Act 19 of 2010*).

Yours faithfully,

(Srinet Kothwale)

No. 12/2019-PCB/184181/O0001712

Date: 17 /11/2019

Consent to Operate under Section 25/26 of the Water (Prevention & Control of Pollution) Act, 1974 & under Section 21 of the Air (Prevention & Control of Pollution) Act, 1981. and Authorisation/ Renewal of Authorisation under Rule 6(i) of the Hazardous and Other Wastes (Management and Transboundary Movement) Amended Rules 2018.

[To be referred as Water Act, Air Act and HW (M & T) Rules respectively]

[To be referred as Water Act, Air Act respectively]

CONSENT TO OPERATE is hereby granted to:

M/S. IMPERIUM STAR

(Mrs. Reji Menon)

(Orange Category)

Plot no. 43 & 44,

EDC Patto Plaza, Panaji Goa.

Located in the area declared under the provisions of the Water Act, Air Act, subject to the provisions of the Act and the Rules and the Orders that may be made further and subject to the following terms and conditions:

1. This Consent to Operate issued is valid upto **06-05-2029.**

2. This Consent to Operate is valid for the activity of:

Sr. No	Description	Quantity
1.	Commercial complex	21 shops, 18 Food Stalls and 325 Offices

3. **CONDITIONS REQUIRED TO BE COMPLIED UNDER THE WATER ACT:**

(i) The daily quantity of effluent from the commercial complex (sewage & sullage) shall not exceed **60 K.L.D.**

(ii) **Sewage Treatment:**

The sewage generated shall be discharged into the sewerage line of the Public Works Department and there shall be no discharge outside the hotel premises

- (iii) The Commercial complex shall provide proper Oil and Grease Trap for effluent arising from its kitchen and laundry and shall have to comply with the 'General Standards for Discharge of Environmental Pollutants Part-A: Effluents' notified under Schedule-VI
- (iv) A good house-keeping shall be maintained within the hotel premises. All pipes, valves and drains shall be maintained in leak-proof condition. Floor washings shall be maintained to the effluent collection system only and shall not be allowed to find way in open areas.

(v) **Non-Hazardous Solid Waste:**

All the Solid wastes arising in the hotel premises shall be properly classified and disposed off to the satisfaction of the Board.

The total quantity shall be segregated and treated as follows:

Sr. no.	Type of segregated solid waste	Quantity	Disposal
1	Wet waste	394kg/day	To be handed over to local authority/to be disposed through agency authorized by GSPCB until composting facility is setup
2	Dry waste	263 kg/day	Disposed through CCP
3	Used Cooking Oil	-----	To GSPCB authorized vendor

- (vi) The Commercial Complex should establish machinery/equipment/facility for converting bio-degradable / organic waste generated from the Commercial complex to compost or biogas so as to meet the standard for compost prescribed in the Solid Waste Management Rules, 2016, and submit compliance report to this office within three months from the date of issue of this consent in consultation with the Corporation of City of Panaji.

4. CONDITIONS REQUIRED TO BE COMPLIED UNDER THE AIR ACT:

- (i) The unit shall maintain and operate air pollution control system of adequate capacity for the following equipments

Sr. No.	Name of Equipments/ Installation	No of Installation	Capacity	SO ₂ Kg/Hr	NO _x HC CO PM			
					(g/kw-hr)			
1	D.G. Set	02	750KVA	2.7	9.2	1.3	3.5	0.3

- (ii) The hotel unit shall erect the chimney(s) of the following specifications:

Sr. No	Chimney attached to	Height
1.	D.G. set 750KVA	Above the roof of the building
2.	D.G. set 750KVA	Above the roof of the building

- (iii) The applicant unit shall observe the following standards:-

Sr. No	Type of fuel	Quantity /hr
1.	D.G. set 750KVA	150 litres/hour
2.	D.G. set 750KVA	150 litres/hour

- (iv) The Stack Port Hole and Platform is to be designed as per CPCB guidelines Method 1 Part 1 of Stack Monitoring –Material & methodology for isokinetic sampling.

- (v) The applicant unit should comply with all the standards for D.G. Sets prescribed at Sr. no. 94, 95 and 96 of Schedule I of the Environment (Protection) Rules, 1986.

- (vi) The applicant unit should carry out emission monitoring from the stacks connected to D.G. set once a year from a laboratory recognized by Ministry of Environment and Forest under the Environment Protection Act, 1986 and the result shall be submitted to this Board by the 15th of subsequent month.

Near Pilerne Industrial Estate, Opp.- Saligao Seminary, Saligao-Bardez Goa-403511

- (vii) The applicant unit shall take adequate measures for control of noise levels from its own sources within the premises in respect of noise. The limits are as follows

Category of Area/ Zone	Limits in dB (A) Leq	
	Day time	Night time
Industrial Area	75	70
Commercial Area	65	55
Residential Area	55	45
Silence Zone	50	40

Day time is reckoned between 6 a.m. to 10 p.m. and night time is reckoned between 10 p.m. to 6 a.m.

5. CONDITIONS REQUIRED TO BE COMPLIED UNDER THE HAZARDOUS AND OTHER WASTES (MANAGEMENT AND TRANSBOUNDRY MOVEMENT) AMENDED RULES 2018:

- (i) The applicant unit is hereby granted authorization to operate a facility for collection, storage and disposal of hazardous wastes as specified below:

Sr. No.	Category	Type of waste	Quantity	Mode of disposal
1.	5.1	Used/Spent oil	30 ltrs/ annum	To recycler registered with CPCB and having valid authorization of SPCB

- (ii) The authorization shall comply with the provisions of the Environment (Protection) Act, 1986 and the rule made there under.
- (iii) The person authorized shall not rent, lend, sell or transfer or otherwise transport the hazardous waste without obtaining prior permission of the Goa State Pollution Control Board.
- (iv) Any unauthorized change in personnel, equipment or working conditions as mentioned in the hotel unit by the person authorized shall constitute a breach of his authorization.
- (v) It is a duty of the authorized person to take permission of the Goa State Pollution Control Board to close down the facility.
- (vi) The inner bottom surfaces of the tank shall be impervious enough to prevent leakage or seepage of these wastes into the sub surface soil or ground water.
- (vii) The occupier shall maintain a manifest system as per Rule 21 (1) for disposal of hazardous wastes to ensure that these wastes are delivered to the designated facility preventing pilferage and clandestine disposal due to unforeseen events that may occur during transit.
- (viii) The manifest shall be endorsed by the dispatcher, transporter and receiver of hazardous wastes. The endorsed copy shall be furnished to the Goa State Pollution Control Board.
- (ix) Under any circumstances the hazardous waste shall not be disposed to unauthorized facilities.
- (x) The occupier shall maintain the records for collection, storage and disposal of hazardous waste in Form 3 of as per Hazardous and other Wastes (Management & Transboundary Movement) Amended Rules 2018.

- (xi) The occupier shall furnish monthly returns for collection, storage and disposal of hazardous waste through online OCMMS systems.

Near Pilerne Industrial Estate, Opp.- Saligao Seminary, Saligao-Bardez Goa-403511

- (xii) The applicant unit shall put up an online board (minimum size 6x4 Feet) at prominent location near the main gate providing details as follows in English and Konkani languages:-

- Hazardous Waste category number.
- Hazardous Waste quantity number.
- Treatment facility for each category.
- Mode of disposal for each category.
- Hazardous Waste Authorization number, date and validity period.
- Water Consent number, date and validity period.
- Air Consent number, date and validity period.
- Quantity and Nature of Hazardous Chemicals being used.

- (xiii) The occupier shall ensure that the Hazardous Wastes are not allowed to be stored for more than 90 days.

5. GENERAL CONDITIONS:

- (i) The unit shall not change or alter the quantity, quality of discharge, temperature or the mode of the effluent/ emission or hazardous wastes or control equipments provided for without previous permission of the Board.
- (ii) The unit shall provide facility for collection of samples of effluent, air emissions and hazardous wastes to the Board staff.
- (iii) An application in prescribed form along with the prescribed fees for renewal of Consent shall be submitted at least 60 days before the expiry of validity of this Consent. An application for renewal of Consent submitted after expiry of the validity shall accompany with penalty of 50% of the Consent fees in addition to the prescribed consent fees.
- (iv) The Board shall be forthwith informed of any accident or unforeseen event involving discharge of any poisonous, noxious or polluting matter into a stream or well or on land or into the atmosphere, as result of such discharge water/ air is being polluted.
- (v) This Consent to Operate is granted without any prejudice to any of the permission(s) required under any law, by laws and regulations in force.
- (vi) This Consent does not entitle the party to commence activities until and unless all the other Permissions as required under the relevant statutes are obtained by the party and this Consent to Operate is confined to matters arising out of the Air Act and Water Act only
- (vii) The Board reserves the right to amend or add any conditions in this consent and the same shall be binding on the applicant.
- (viii) The unit shall submit to this office, the Environmental Statement Report in Form V for the Financial Year ending April to March by 30th September of the succeeding year as per the provisions of the rule 14 of the Environment (Protection) (Second Amendment) Rules, 1992.
- (ix) Reliable flow meter shall be installed to maintain record of water consumption/waste water generation per day. The records so maintained shall be made available to the Board officials whenever required.

- (x) The industry shall bear the cost of analysis / monitoring in case of complaints received by the Board/ reinspections due to non compliances observed by the Board & monitoring carried by the Board.

Near Pilerne Industrial Estate, Opp.- Saligao Seminary, Saligao-Bardez Goa-403511

- (xi) The Unit shall comply to the guidelines and DUST Mitigation measures in handling construction material and C and D waste issued by Central Pollution Control Board and are placed on Board website goaspcb.gov.

Ground Floor, Patto, Panjim.

Sub :- Revised NOC for Plot Bearing Nos. 41 and 42
(Bldg. B) in EDC Complex, Patto Plaza, Panjim

Sir,

With reference to the above mentioned subject it is to inform you that there exist a PWD sewage network near to bearing Plot No. 41, 42, 43 & 44 EDC Complex Patto Plaza, Panaji - Goa. However the owner of the proposed premises will have to incur the expenditure required for enhancement of network capacity on account of the sewage laid to his premises if required. Subject to this condition, this office have no objection to issue the feasibility for the sewage connection to the said proposed premises. The earlier NOC was issued in the name of M's. Parsynath Developers Limited.

However In view of the purchase of the plots by you a fresh NOC is hereby issued as per your request .

Yours Faithfully.

this function."

This shows that there are a number of jobs which Goans don't prefer. Similarly, there are a number of vacancies which are impossible to fill from the talent pool available in Goa.

Kamath added, "For technical staff of a pharmaceutical company's operations, we require PhDs, and they aren't available in Goa. So, we have to source them from other states."

Bhakta's and Kamath's comments, put together, show that for both skilled and unskilled jobs, there is a lack of human resources in Goa. What sense will it make, then, to reserve 80 per cent jobs in private sector for Goans?

Let us assume, for a second, that the State government is serious about making 80 per cent Goans in the private sector mandatory. From a practical viewpoint, it would then be extremely important that the education system pro-

viding pretty much all engineering graduates who can work in this sector."

Sources indicate the count of computer science, electronics and IT engineers passing out every year in Goa stands at around 1,000. The State government intends to create an IT park in Chimbel, which means it will attract a number of IT companies.

Those companies, in turn, will attract a large number of employees from other parts of India. Otherwise, the dreams of creating an IT park will never materialise. Besides, it is Goa's history that some of its most edu-

cation for their people, then how will Goans, who go out of Goa in huge numbers to search employment, find a job?"

Moreover, there are sectors within Goa which have a very high number of people from outside of Goa. A case in point is tourism as it has a huge number of non-Goans, from India and outside India, working in the state.

PUBLIC NOTICE

This is for information of general public that M/s Parsvnath Developers PoA through M/s Gera Developments Pvt. Ltd, has been granted Environmental Clearance for proposed construction project of commercial building - 'Imperium V' by State Environmental Impact Assessment Authority vide no. 3-181-2010/STE-DIR/07 dated 15th April, 2016.

This is published in accordance with Clause 13 of the above quoted environment clearance letter.

आपण भारी
आपले हस्ताक्षर
प्रयत्न करण्याचे
कले.
शाही म्हणाले, अशा
ठे विद्यार्थ्यांची
होते. त्यांना योग्यवेळी
मिळाल्यास ते पुढील
त्याचा उपयोग करू शकतात.

मुख्याध्यापक श्रीकृष्ण नाईक म्हणाले,
आपले हस्ताक्षर चांगले असल्यास
आपणास चांगल्या संधी मिळू
शकतात. हस्ताक्षरातून व्यक्तीचा
स्वभावही समजतो. आजच्या युगात
हस्ताक्षराला खूप महत्त्व आहे.
विद्यार्थ्यांना अक्षर सुधारण्यासंदर्भात
मार्गदर्शन केल्यास त्यांचे अक्षर
सुधारू शकते या हेतूने ही कार्यशाळा

आयोजित केल्याचे त्यांनी सांगितले.
शिक्षक गणपतराव राणे यांनी
मनोगत व्यक्त केले. सुरवातीस
मान्यवरांच्या हस्ते दीपप्रज्वलन
करून कार्यशाळेचे उद्घाटन करण्यात
आले. विद्यार्थी पालय मांद्रेकर, दीक्षा
उस्तेकर, भार्गवी ठाणेकर, तन्वी
म्हाऊसकर आणि निधी स्वार यांनी
मान्यवरांचे पुष्पगुच्छ देऊन स्वागत

केले. कार्यक्रमाचे स्वागत नंदा माजीक
यांनी केले. सूत्रसंचालन अमृतधारा
नाईक, तर शंकर ओझरेकर यांनी
आभार मानले. या विद्यालयातील
इयत्ता पाचवी ते इयत्ता सातवीच्या
एकूण ३४ विद्यार्थ्यांनी या कार्यशाळेत
सहभाग घेतला होता. हस्ताक्षर
सुधारण्यासाठी राधोबा पेडणेकर यांनी
मार्गदर्शन केले.

डिचोली : मार्गदर्शन करताना रामचंद्र गर्दे. बाजूस मधुकर सासोलकर,
रघुनाथ परब, श्रीकृष्ण धोड, प्रभोदिनी प्रभू आणि कालिदास उमयें.
(तुकाराम सावंत)

दर्जेदार शिक्षणासाठी शिक्षक, पालकांचा सहभाग आवश्यक : गर्दे

डिचोली केंद्र शाळेच्या निवृत्त शिक्षिका प्रभोदिनी प्रभू यांना निरोप

डिचोली ता. १७ (प्रतिनिधी):
मातृभाषेतूनच प्राथमिक शिक्षण
व्हावे हे जागतिक तत्त्व असले,
तरी आवश्यक साधनसुविधांच्या
अभावामुळे आज शिक्षणाचा दर्जा
घसरत आहे. विद्यार्थ्यांना प्राथमिक
स्तरापासूनच दर्जेदार शिक्षण
मिळणे आवश्यक असून, त्यासाठी
शिक्षकांबरोबरच पालकांचाही
सहभाग आवश्यक आणि महत्त्वाचा
आहे, असे प्रतिपादन शिक्षण तज्ज्ञ
तथा पिळगावच्या आयडियल
हायस्कूलचे निवृत्त मुख्याध्यापक
रामचंद्र गर्दे यांनी डिचोली येथे
केले.

येथील सरकारी प्राथमिक आणि
उच्च प्राथमिक केंद्र शाळेच्या निवृत्त
शिक्षिका प्रभोदिनी प्रभू यांच्या निरोप
समारंभात ते प्रमुख पाहुणे या नात्याने
बोलत होते. आज शिक्षण क्षेत्राचे
बाजारीकरण चालत असल्याची खंत
श्री. गर्दे यांनी व्यक्त करून, शिक्षण
क्षेत्रात क्रांती घडवायची असेल, तर
शिक्षण क्षेत्राची मालकी समाजाकडे
घ्यायला पाहिजे, असे मत व्यक्त
केले.

केंद्र शाळेच्या सभागृहात पार
पडलेल्या या निरोप समारंभप्रसंगी
व्यासपीठावर मुख्याध्यापक मधुकर
सासोलकर, राज्य पुरस्कार प्राप्त

निवृत्त शिक्षक कालिदास उमयें,
प्रभोदिनी प्रभू, पालक शिक्षक संघाचे
अध्यक्ष रघुनाथ परब, सल्लागार
श्रीकृष्ण धोड आणि मनोज च्यारी
उपस्थित होते. प्रमुख पाहुणे श्री. गर्दे
यांच्या हस्ते भेटवस्तू देवून निवृत्त
शिक्षिका प्रभोदिनी प्रभू यांचा गौरव
करण्यात आला, तर सौ. देव यांनी
त्यांची खणानारखाने ओटी भरली.
पालक शिक्षक संघाच्यावतीनेही सौ.
प्रभू यांना भेटवस्तू देण्यात आली.
प्रारंभी साक्षी नावेंकर या विद्यार्थिनीने
गुलाबपुष्प देवून मान्यवरांचे स्वागत
केले. मधुकर सासोलकर यांनी
प्रास्ताविकपर भाषणात निवृत्त
शिक्षिका प्रभोदिनी प्रभू यांनी
केलेल्या उल्लेखनीय कार्याचा
आढावा घेतला.

प्रभोदिनी प्रभू यांनीही
आपले मनोगत व्यक्त केले.
शिक्षकी पेशा स्वीकारल्यानंतर
सुरवातीच्या काळात आलेल्या
काही आव्हानात्मक अनुभवांना
त्यांनी उजाळा दिला. सर्व सहकारी
शिक्षकांचे आपल्याला चांगले
सहकार्य मिळाल्याचे त्यांनी
नमूद केले. स्नेहल शिरोडकर
यांनी सूत्रसंचालन केले, तर
श्यामल भिडे यांनी आभार
मानले.

महिला आयोगाची पुन्हा स्थापना

पणजी, ता. १७ (प्रतिनिधी)
: अॅड. विद्या शेट तानावडे यांच्या
नेतृत्वाखाली पूर्वीचेच सदस्य कायम
उर्वर महिला आयोगाची नव्याने स्थापना
करण्यात आली असून तीन वर्षासाठी
समिती आयोगावर राहणार आहे.

तीन वर्षांपूर्वी स्थापन झालेल्या
महिला आयोगाची मुदत संपल्यामुळे
रीतसर अधिसूचना जारी करून जुन्या
समितीला पुढील तीन वर्षासाठी वाट
मोकळी करून देण्यात आली आहे.

महिला व बाल विकास संचालक शिल्पा
शिंदे यांनी त्यासंदर्भात अधिसूचना जारी
केली आहे.

आयोगावर सदस्य म्हणून नीना
राजेंद्र नाईक, डोला रॉड्रिग्स, खविता
बल्लभ बोरकर, सोनिया महानंद
अस्नोडकर, एरिलंडा डिसोझा, सविता
कादोज, आमदार जेनिफर मोन्सेरात
आहेत. सिद्धिविनायक नाईक यांना
महिला आयोगाचे सदस्य सचिवपद
पुन्हा देण्यात आले आहे.

जाहीर सूचना

सदर बाब सर्व लोकांना कळविण्यात येत आहे की, पार्श्वनाथ
डेव्हलपर्सतर्फे कु. मु. धा. गेरा डेव्हलपमेंटस प्रा.लि.
यांना इम्पिरिअम ५ या प्रस्तावित व्यावसायिक प्रकल्पास राज्य
पर्यावरण आघात मूल्यांकन प्राधिकरण यांच्यातर्फे पर्यावरण
मान्यता क्र.३-१८१-२०१०/एसटीई-डीआयआर-०७ दि. १२
एप्रिल २०१६ अन्वये देण्यात आलेली आहे.
वरील नमूद पर्यावरण मान्यता पत्र हे कलम १३च्या अनुषंगाने
प्रसिद्ध केले जात आहे.

गोवा विज्ञान केंद्र
(विज्ञान संग्रहालयाची राष्ट्रीय परिषद)
मरीन हायवे, मिरामार
पणजी- ४०३ ००१

नियंत्रणात्मक कामासाठी (मॉनिटरिंग वर्क) निविदा सूचना

जाहिरात क्र. १/२०१६

गोवा विज्ञान केंद्र, पणजी येथे खालील कामे करण्यासाठी नामांकित सुरक्षा
एजन्सीजकडून मोहोरबंद निविदा मागविण्यात येत आहेत.

१. येणाऱ्या आणि जाणाऱ्या पर्यटक, व्यक्ती आणि मालाचे नियंत्रण आणि
देखरेख करणे आणि प्रदर्शनीय वस्तू, विविध उभारण्यात आलेल्या संरचना
(इन्स्टॉलेशन्स) आणि इतर मालमत्ते रक्षण करणे.

उपरोल्लेखित कामांमध्ये उच्च दर्जा दर्शविणारी प्रमाणपत्रे (क्रेडेन्शियल्स) असणाऱ्या
आणि सिद्ध अनुभव असलेल्या सक्षम एजन्सीज यांनी उपरोल्लेखित पत्त्यावरून
विहित नमुन्यामधील पूर्व-पात्रता नोंदणी अर्ज प्राप्त करावा किंवा हा अर्ज आपल्या
www.goasciencecentre.in किंवा www.nehrusciencecentre.in
in या संकेतस्थळावरून डाऊनलोड करावा आणि सुयोग्यरित्या भरलेला नोंदणी
अर्ज संबंधित प्रमाणपत्रांच्या समर्थनार्थ आवश्यक कागदपत्रांसह या कार्यालयाकडे
लवकरात लवकर म्हणजे दि. ३०-०४-२०१६ पर्यंत दाखल करावा. ज्या
एजन्सीज या विज्ञान केंद्राद्वारे सक्षम समजण्यात येतील केवळ अशा लघु-सुचित
(शॉर्ट-लिस्टेड) एजन्सीजना निविदा कागदपत्रे दि. १२-०५-२०१६ ते दि. १८-
०५-२०१६ पर्यंत वितरित करण्यात येतील. या संदर्भात केंद्राचा निर्णय अंतिम
आणि बंधनकारक समजण्यात येईल. पूर्ण भरलेल्या निविदा दि. २५-०५-२०१६
रोजी दुपारी ३.०० वा. पर्यंत स्वीकारण्यात येतील आणि या निविदा त्याच दिवशी
निविदादारांच्या उपस्थितीमध्ये दुपारी ३.३० वाजता उघडण्यात येतील.

this function."

This shows that there are a number of jobs which Goans don't prefer. Similarly, there are a number of vacancies which are impossible to fill from the talent pool available in Goa.

Kamath added, "For technical staff of a pharmaceutical company's operations, we require PhDs, and they aren't available in Goa. So, we have to source them from other states."

Bhakta's and Kamath's comments, put together, show that for both skilled and unskilled jobs, there is a lack of human resources in Goa. What sense will it make, then, to reserve 80 per cent jobs in private sector for Goans?

Let us assume, for a second, that the State government is serious about making 80 per cent Goans in the private sector mandatory. From a practical viewpoint, it would then be extremely important that the education system pro-

viding pretty much all engineering graduates who can work in this sector."

Sources indicate the count of computer science, electronics and IT engineers passing out every year in Goa stands at around 1,000. The State government intends to create an IT park in Chimbol, which means it will attract a number of IT companies.

Those companies, in turn, will attract a large number of employees from other parts of India. Otherwise, the dreams of creating an IT park will never materialise. Besides, it is Goa's history that some of its most edu-

cation for their people, then how will Goans, who go out of Goa in huge numbers to search employment, find a job?"

Moreover, there are sectors within Goa which have a very high number of people from outside of Goa. A case in point is tourism as it has a huge number of non-Goans, from India and outside India, working in the state.

PUBLIC NOTICE

This is for information of general public that M/s Parsvnath Developers PoA through M/s Gera Developments Pvt. Ltd, has been granted Environmental Clearance for proposed construction project of commercial building - "Imperium V" by State Environmental Impact Assessment Authority vide no. 3-181-2010/STE-DIR/07 dated 15th April, 2016.

This is published in accordance with Clause 13 of the above quoted environment clearance letter.

M/s Gera Developments Pvt. Ltd

3370, 3371, 3372, 3373, 3374, 3375, 3376, 3377, 3378, 3379, 3380, 3381, 3382, 3383, 3384, 3385, 3386, 3387, 3388, 3389, 3390, 3391, 3392, 3393, 3394, 3395, 3396, 3397, 3398, 3399, 3400, 3401, 3402, 3403, 3404

आपण भारी आपले हस्ताक्षर प्रयत्न करण्याचे केले. आशी म्हणाले, अशा विद्यार्थ्यांची होते. त्यांना योग्यवेळी मिळाल्यास ते पुढील पाठ्याचा उपयोग करू शकतात.

मुख्याध्यापक श्रीकृष्ण नाईक म्हणाले, आपले हस्ताक्षर चांगले असल्यास आपणास चांगल्या संधी मिळू शकतात. हस्ताक्षरातून व्यक्तीचा स्वभावही समजतो. आजच्या युगात हस्ताक्षराला खूप महत्त्व आहे. विद्यार्थ्यांना अक्षर सुधारण्यासंदर्भात मार्गदर्शन केल्यास त्यांचे अक्षर सुधारू शकते या हेतूने ही कार्यशाळा

आयोजित केल्याचे त्यांनी सांगितले. शिक्षक गणपतराव राणे यांनी मनोगत व्यक्त केले. सुरवातीस मान्यवरांच्या हस्ते दीपप्रज्वलन करून कार्यशाळेचे उद्घाटन करण्यात आले. विद्यार्थी पालय मांड्रेकर, दीक्षा उस्तेकर, भार्गवी ठाणेकर, तन्वी म्हाऊसकर आणि निधी स्वार यांनी मान्यवरांचे पुष्पगुच्छ देऊन स्वागत

केले. कार्यक्रमाचे स्वागत नंदा माजीक यांनी केले. सूत्रसंचालन अमृतधारा नाईक, तर शंकर ओझरेकर यांनी आभार मानले. या विद्यालयातील इयत्ता पाचवी ते इयत्ता सातवीच्या एकूण ३४ विद्यार्थ्यांनी या कार्यशाळेत सहभाग घेतला होता. हस्ताक्षर सुधारण्यासाठी राधोबा पेडणेकर यांनी मार्गदर्शन केले.

डिचोली : मार्गदर्शन करताना रामचंद्र गर्दे. बाजूस मधुकर सामोलकर, रघुनाथ परब, श्रीकृष्ण धोड, प्रभोदिनी प्रभू आणि कालिदास उमयें. (तुकाराम सावंत)

दर्जेदार शिक्षणासाठी शिक्षक, पालकांचा सहभाग आवश्यक : गर्दे

डिचोली केंद्र शाळेच्या निवृत्त शिक्षिका प्रभोदिनी प्रभू यांना निरोप

डिचोली ता. १७ (प्रतिनिधी) : मातृभाषेतूनच प्राथमिक शिक्षण घ्यावे हे जागतिक तत्त्व असले, तरी आवश्यक साधनसुविधांच्या अभावामुळे आज शिक्षणाचा दर्जा घसरत आहे. विद्यार्थ्यांना प्राथमिक स्तरापासूनच दर्जेदार शिक्षण मिळणे आवश्यक असून, त्यासाठी शिक्षकांबरोबरच पालकांचाही सहभाग आवश्यक आणि महत्वाचा आहे, असे प्रतिपादन शिक्षण तज्ज्ञ तथा पिळगावच्या आयडियल हायस्कूलचे निवृत्त मुख्याध्यापक रामचंद्र गर्दे यांनी डिचोली येथे केले.

येथील सरकारी प्राथमिक आणि उच्च प्राथमिक केंद्र शाळेच्या निवृत्त शिक्षिका प्रभोदिनी प्रभू यांच्या निरोप समारंभात ते प्रमुख पाहुणे या नात्याने बोलत होते. आज शिक्षण क्षेत्राचे बाजारीकरण चालत असल्याची खंत श्री. गर्दे यांनी व्यक्त करून, शिक्षण क्षेत्रात क्रांती घडवायची असेल, तर शिक्षण क्षेत्राची मालकी समाजाकडे घ्यायला पाहिजे, असे मत व्यक्त केले.

केंद्र शाळेच्या सभागृहात पार पडलेल्या या निरोप समारंभाप्रसंगी व्यासपीठावर मुख्याध्यापक मधुकर सामोलकर, राज्य पुरस्कार प्राप्त

निवृत्त शिक्षक कालिदास उमयें, प्रभोदिनी प्रभू, पालक शिक्षक संघाचे अध्यक्ष रघुनाथ परब, सल्लागार श्रीकृष्ण धोड आणि मनोज च्यारी उपस्थित होते. प्रमुख पाहुणे श्री. गर्दे यांच्या हस्ते भेटवस्तू देवून निवृत्त शिक्षिका प्रभोदिनी प्रभू यांचा गौरव करण्यात आला, तर सौ. देव यांनी त्यांची खणानारळाने ओटी भरली. पालक शिक्षक संघाच्यावतीनेही सौ. प्रभू यांना भेटवस्तू देण्यात आली. प्रारंभी साक्षी नार्वेकर या विद्यार्थिनीने गुलाबपुष्प देवून मान्यवरांचे स्वागत केले. मधुकर सामोलकर यांनी प्रास्ताविकपर भाषणात निवृत्त शिक्षिका प्रभोदिनी प्रभू यांनी केलेल्या उल्लेखनीय कार्याचा आढावा घेतला.

प्रभोदिनी प्रभू यांनीही आपले मनोगत व्यक्त केले. शिक्षकी पेशा स्वीकारल्यानंतर सुरवातीच्या काळात आलेल्या काही आव्हानात्मक अनुभवांना त्यांनी उजाळा दिला. सर्व सहकारी शिक्षकांचे आपल्याला चांगले सहकार्य मिळाल्याचे त्यांनी नमूद केले. स्नेहल शिरोडकर यांनी सूत्रसंचालन केले, तर श्यामल भिडे यांनी आभार मानले.

महिला आयोगाची पुन्हा स्थापना

पणजी, ता. १७ (प्रतिनिधी) : अॅड. विद्या शेट तानावडे यांच्या नेतृत्वाखाली पूर्वीचे सदस्य कायम ठेवत महिला आयोगाची नव्याने स्थापना करण्यात आली असून तीन वर्षासाठी समिती आयोगावर राहणार आहे.

तीन वर्षांपूर्वी स्थापन झालेल्या महिला आयोगाची मुदत संपल्यामुळे रीतसर अधिसूचना जारी करून जुन्या समितीला पुढील तीन वर्षासाठी वाट मोकळी करून देण्यात आली आहे.

महिला व बाल विकास संचालक शिल्पा शिंदे यांनी त्यासंदर्भात अधिसूचना जारी केली आहे.

आयोगावर सदस्य म्हणून नीना राजेंद्र नाईक, डोल राहुमण, वनिता वल्लभ बोरकर, सोनिया महानंद अस्नोडकर, एस्तिदा डिस्सोझा, समिर कार्दोज, आमदार जेनिफर मोन्सेरात आहेत. सिद्धिविनायक नाईक यांना महिला आयोगाचे सदस्य सचिवपद पुन्हा देण्यात आले आहे.

जाहीर सूचना

सदर बाब सर्व लोकांना कळविण्यात येत आहे की, पार्श्वनाथ डेव्हलपर्सतर्फे कु. मु. धा. गेरा डेव्हलपमेंटस प्रा.लि. यांना इम्पिरिअम ५ या प्रस्तावित व्यावसायिक प्रकल्पास राज्य पर्यावरण आघात मूल्यांकन प्राधिकरण यांच्यातर्फे पर्यावरण मान्यता क्र.३-१८१-२०१०/एसटीई-डीआयआर-०७ दि. १२ एप्रिल २०१६ अन्वये देण्यात आलेली आहे. वरील नमूद पर्यावरण मान्यता पत्र हे कलम १३च्या अनुषंगाने प्रसिद्ध केले जात आहे.

गोवा विज्ञान केंद्र
(विज्ञान संग्रहालयांची राष्ट्रीय परिषद)
मरीन हायवे, मिरामार
पणजी-४०३ ००१

नियंत्रणात्मक कामासाठी (मॉनिटरिंग वर्क) निविदा सूचना
जाहिरात क्र. १/२०१६

गोवा विज्ञान केंद्र, पणजी येथे खालील कामे करण्यासाठी नामांकित सुरक्षा एजन्सीजकडून मोहोरबंद निविदा मागविण्यात येत आहेत.

१. येणाऱ्या आणि जाणाऱ्या पर्यटक, व्यक्ती आणि मालाचे नियंत्रण आणि देखरेख करणे आणि प्रदर्शनीय वस्तू, विविध उभारण्यात आलेल्या संरचना (इन्स्टॉलेशन) आणि इतर मालमत्तेचे रक्षण करणे.

उपरोल्लेखित कामांमध्ये उच्च दर्जा दर्शविणारी प्रमाणपत्रे (क्रेडेन्शियल्स) असणाऱ्या आणि सिद्ध अनुभव असलेल्या सक्षम एजन्सीज यांनी उपरोल्लेखित पत्त्यावरून विहित नमुन्यामधील पूर्व-पात्रता नोंदणी अर्ज प्राप्त करावा किंवा हा अर्ज आमच्या www.goasciencecentre.in किंवा www.nehrusciencecentre.in या संकेतस्थळावरून डाऊनलोड करावा आणि सुयोग्यरित्या भरलेला नोंदणी अर्ज संबंधित प्रमाणपत्रांच्या समर्थनाथ आवश्यक कागदपत्रांसह या कार्यालयाकडे लवकरात लवकर म्हणजे दि. ३०-०४-२०१६ पर्यंत दाखल करावा. ज्या एजन्सीज या विज्ञान केंद्राद्वारे सक्षम समजण्यात येतील केवळ अशा लघु-सूचित (शॉर्ट-लिस्टेड) एजन्सीजना निविदा कागदपत्रे दि. १२-०५-२०१६ ते दि. १८-०५-२०१६ पर्यंत वितरित करण्यात येतील. या संदर्भात केंद्राचा निर्णय अंतिम आणि बंधनकारक समजण्यात येईल. पूर्ण भरलेल्या निविदा दि. २५-०५-२०१६ रोजी दुपारी ३.०० वा. पर्यंत स्वीकारण्यात येतील आणि या निविदा त्याच दिवशी निविदादाराच्या उपस्थितीमध्ये दुपारी ३.३० वाजता उघडण्यात येतील.
